

Deltona High School
Health Services Academy

100 Wolf Pack Run
Deltona, Florida 32725
(386) 575-4153 ext.44082

February 2013

Dear Health Services Academy Applicant,

Thank you for submitting an application for the Deltona High School "Health Services Academy". After review of your application, the Acceptance Committee has decided that we are unable to accept your application at this time, due to the following reasons:

- _____ Academic Grades
- _____ Discipline/Conduct Record
- _____ Attendance Record
- _____ Standardized Testing Scores
- _____ Did not begin the academy as a 9th grader (non-completer of the program)
- _____ **Out of Zone**

Applicants met the criteria for acceptance; Parents of out-of-zone students who wish to dispute the district established zoning guidelines should directly contact the Volusia County Schools Career and Technical Education Department. Deltona High School's district liaison is Kelly Amy (386) 734-7190 Ext. 20641.

It is the desires of the committee that you will make a concentrated effort to excel throughout your high school career, and pursue other avenues to reach your goal of working in healthcare.

Deltona High School offers health and medical related courses that any student can enroll in. I encourage you to register for one or more of the courses, should you desire, during upcoming registration dates/times. The course titles are Health Life-Management Skills (18 weeks), First Aid and Safety (18 weeks) and Medical Skills and Services (36 weeks).

Should you have any questions regarding the Acceptance Committee's decision, please contact myself at (386) 575-4153 ext.44082 or the specified Volusia County Schools department.

Thank You,

Alisha Kellett

HSA Director/Instructor
